

Checklist

REGISTRATION

Determine your 1-4 member(s) student group to work on your video. Students in the group must be from the same school.

Fill out the two forms: [Waiver & Parental Consent Form](#) and [Terms & Conditions and Media Release Form](#) for each student in the group.

Register your team by **March 4th, 2022** on the [Registration Page](#). Here you will submit your forms but there will still be time to submit your video separately.

VIDEO

Determine the topic you want your video to be about. How can you deliver your message clearly within 30-60 seconds?

Make sure your theme is BBB related, specifically about the [Theme of 2021/2022](#). Have any questions about BBB? Find out more information on [BBB.org](#) or contact Your BBB directly on our [contact page](#).

Outline your video with the [Judging Criteria](#) in mind.

If using any third-party material, you must provide proper licensing. Consider using royalty free music and materials.

If shooting video with a phone camera, videos must be shot in “landscape mode” (horizontally). Vertical videos will be disqualified from consideration.

VIDEO SUBMISSION

Use the first portion of your video to identify yourself and your current school. (Not included in the 60 or less seconds)

Make sure your video is in .mp4 format. If you are having trouble with formatting visit our [contact page](#).

Make sure your video is under 2 GB in size.

Label your video file. The file name should include BBBVideo2022, group name, and primary student's surname. Example: BBBVideo2022_FilmCrew_Shaw.mp4.

Submit your video by **April 16, 2022** on our [Video Submission Page](#).
