
Laws of Life Essay Contest

Start With Trust.®

**Better Business Bureau Serving
Central and South Alabama**

Introduction

Back in 1987, noted financier and philanthropist, Sir John Templeton, wanted to give back to his community that gave him so much. What did he do? He created the Laws of Life Essay Contest. The goal of the contest was to start a conversation among students, teachers, parents and the community and in turn challenge young people to think about core values.

Being a beacon of trust and education, the BBB Center for Character Ethics adopted the Laws of Life Essay Contest as another way to educate the trustworthy employees and citizens of tomorrow, who are sitting in today's classrooms.

The Laws of Life are ethics that follow us in all aspects of life, whether it is in school or in our careers. To be more specific, the Laws of Life are values such as: honesty, transparency, equality, humility and being proactive.

The 2023-2024 school year marks the third year the BBB Serving Central and South Alabama has offered the competition.

What is the Laws of Life Essay Contest?

Simply put, this is more than just an essay contest.

This is an opportunity to start a conversation. The employees of tomorrow are sitting in today's classrooms. This contest gives those students the chance to talk and learn about topics that will follow them throughout life.

The Laws of Life Essay Contest is an academic activity that encourages dialogue among high school students, teachers, humanities scholars, and business leaders to advance positive, ethical principles such as transparency, humility, honesty, equity, and proactivity in the workplace.

Having these conversations now plays a vital role in turning these students into the ethical, responsible and trustworthy citizens and employees of tomorrow.

Who Can Participate?

The competition is open to students across Central and South Alabama.

So far, the following schools have announced their participation in this year's contest.

The participating schools are:

- Hoover High School (Jefferson County)
