# BUILDING VALUE FOR GENERATIONS®

MAKING LUXURY THE STANDARD FOR NEARLY 80 YEARS

As the Central Valley's premier local home builder known for "Building Value for Generations," Bonadelle Neighborhoods has built over 10,000 homes since 1945.

The tradition began when a young John Bonadelle, Sr. built his first Fresno neighborhood near Manchester Center for first-time home buyers — many of whom were soldiers returning from World War II. Today, John Bonadelle and his family continue his father's tradition and have created a legacy of offering custom quality homes with luxurious features, superb craftsmanship and exceptional attention to detail that go into each home they build.

Generations of Bonadelle family members have strived to offer homes that families can be proud of for generations to come. A home built by Bonadelle Neighborhoods is a place where families thrive, traditions are made, and homeowners are excited to say, "Home Sweet Home."
